Juniata College

Huntingdon, PA

UNDER-CLASSMEN

"All the world is a stage" and as underclassmen, all Juniata students begin to choose the part they desire to play upon this stage. The decisions made in a student's beginning years at college are important and difficult, and for this reason the college provides the student with many scripts from which to choose.

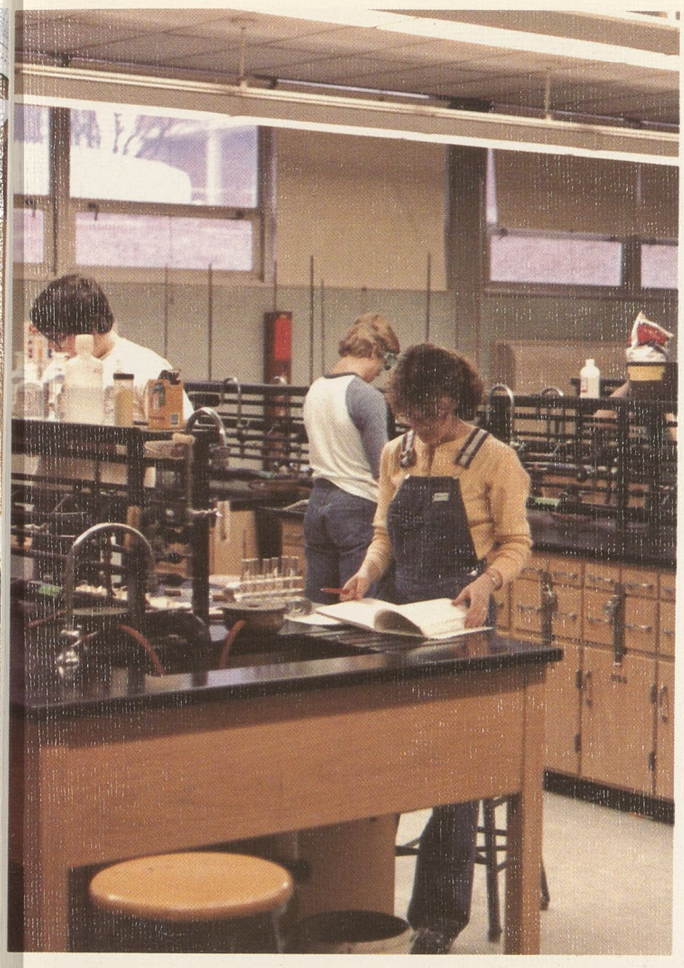
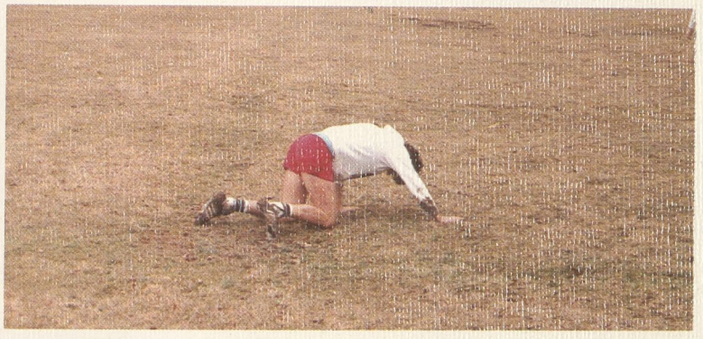
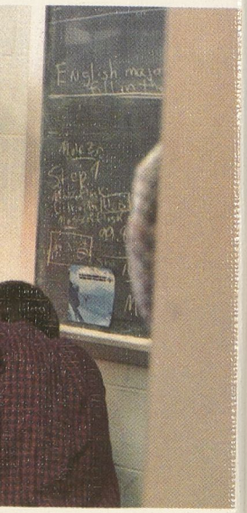
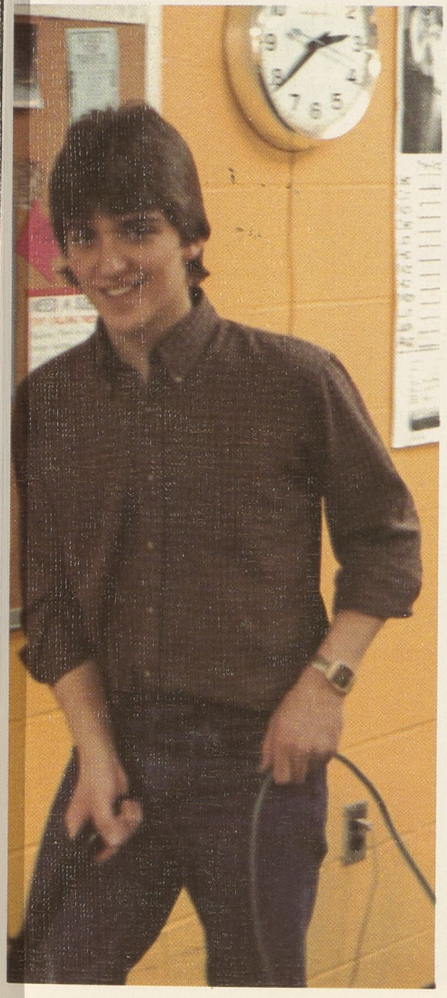
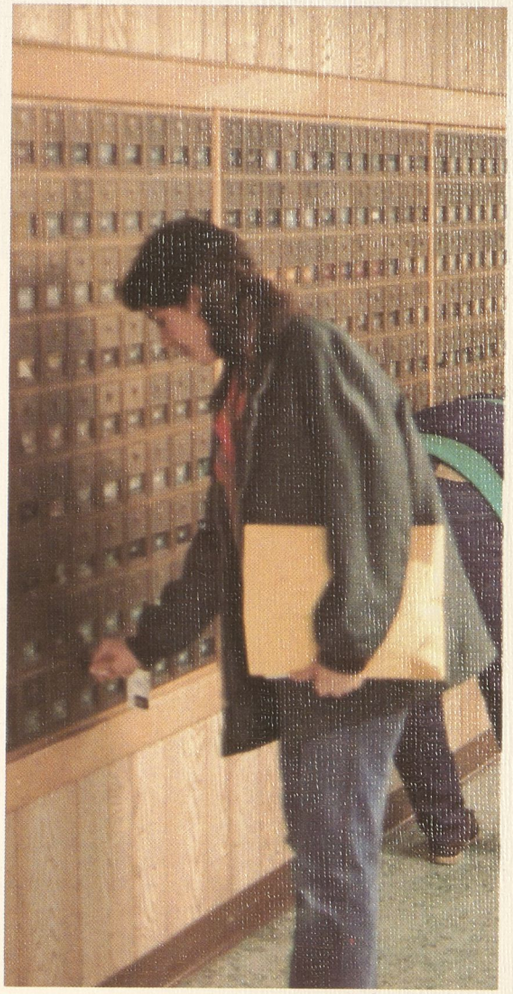
KBOOK

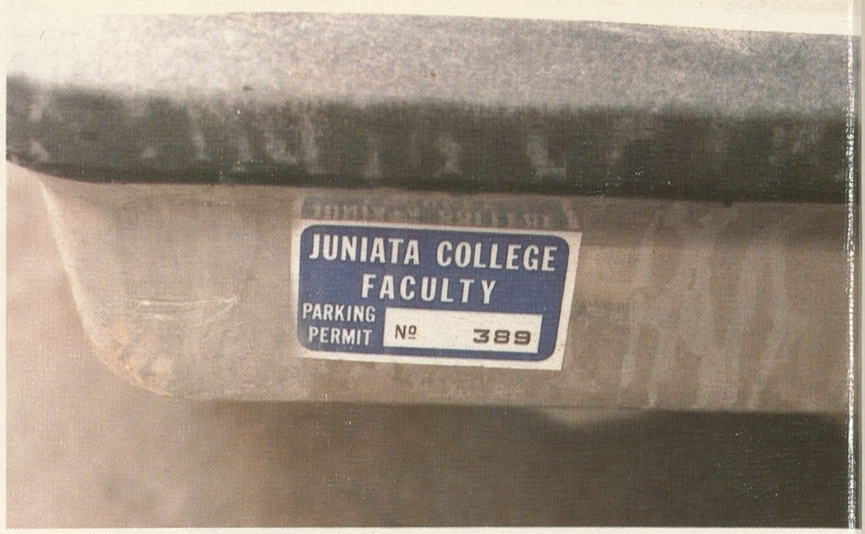


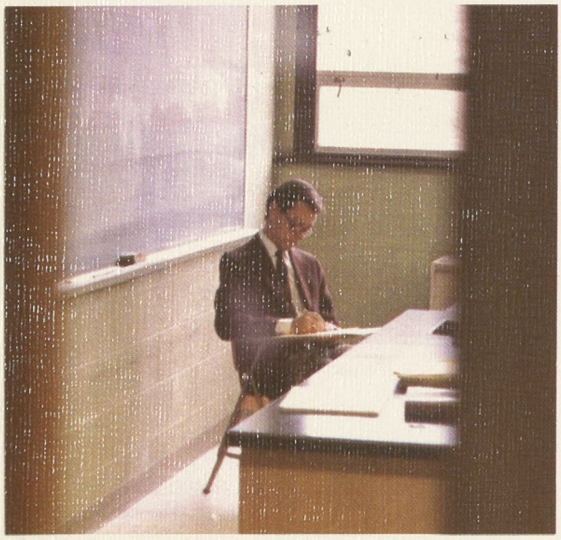






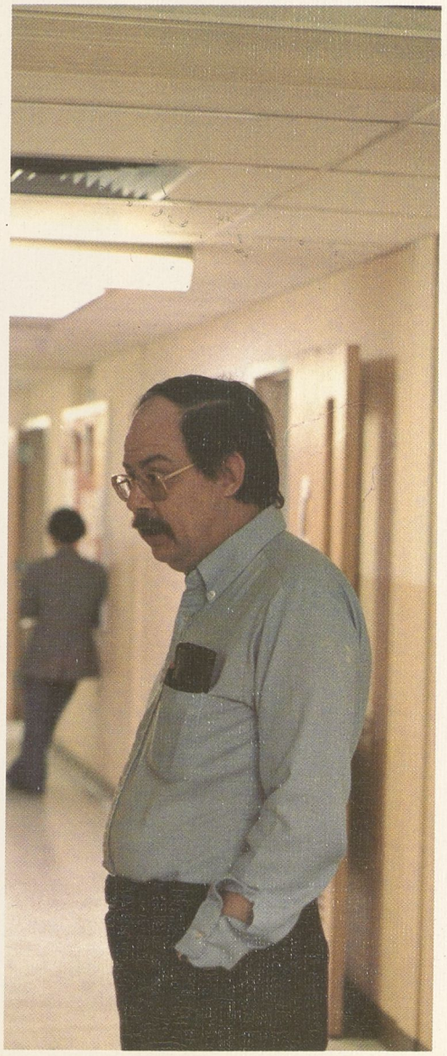


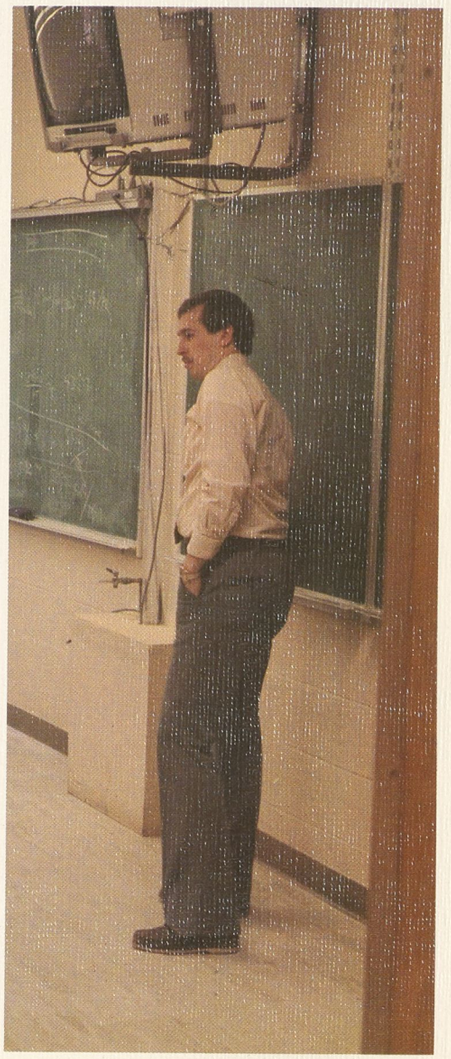




FACULTY

The college also provides the student with qualified faculty members to aid the students with their decisions. The faculty prompts the student in the learning of his field of study and directs him in how to use what he has learned.





ACTIVITIES

Various activities are also available to the students of Juniata. By participating in the activities of his choice, the student further expands his individual part and creates a unique and special character.

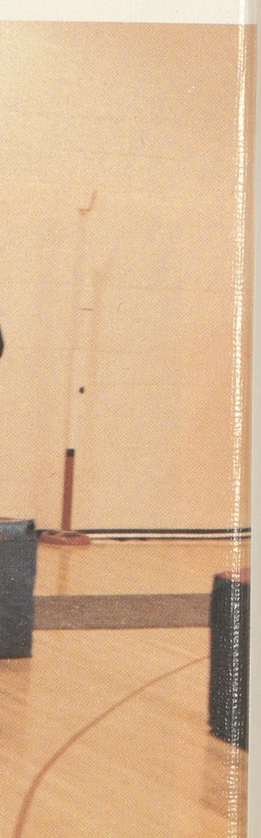
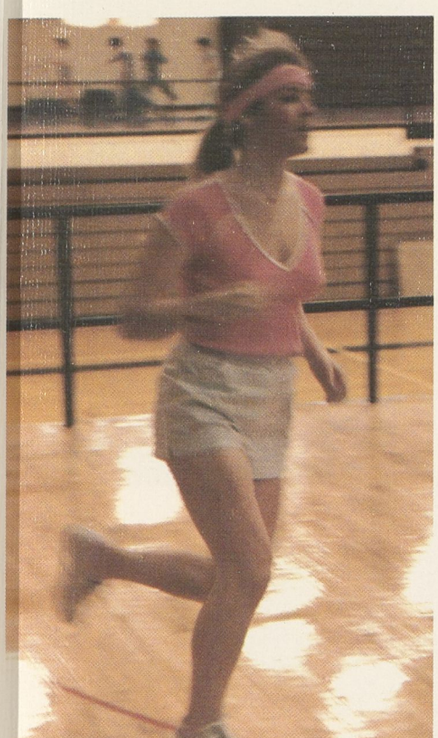
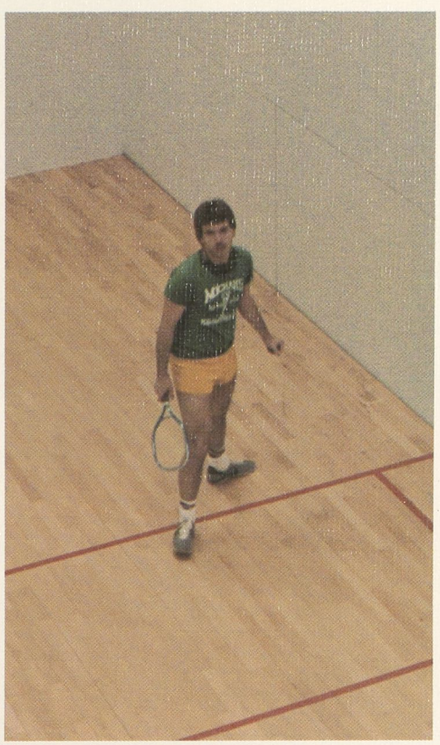
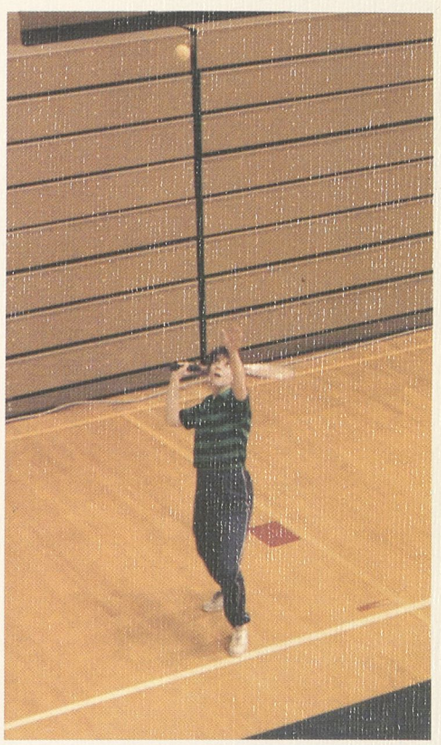
SPORTS

The student continues to develop his part through inter-action with other characters. The sports program at Juniata, including varsity sports and intramurals, provides the student with the perfect opportunity to work on his group scenes.



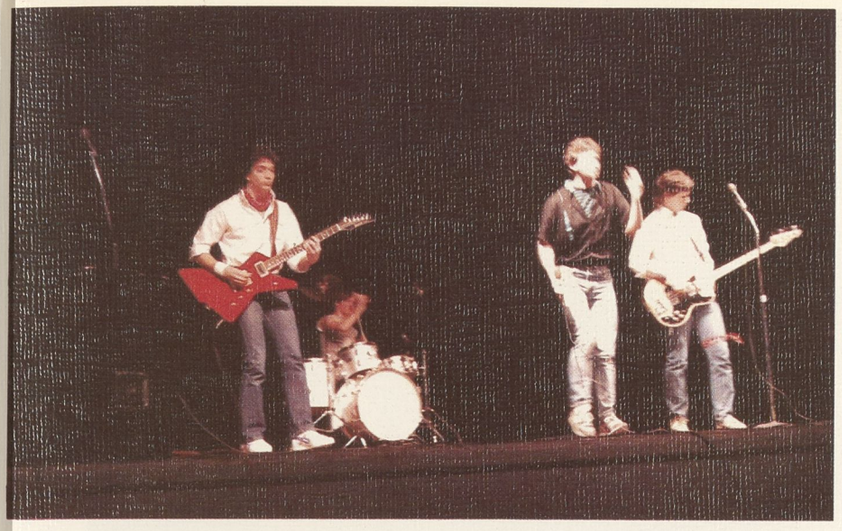


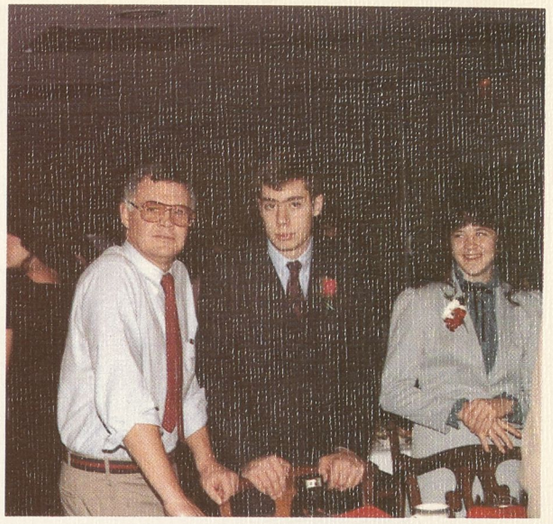


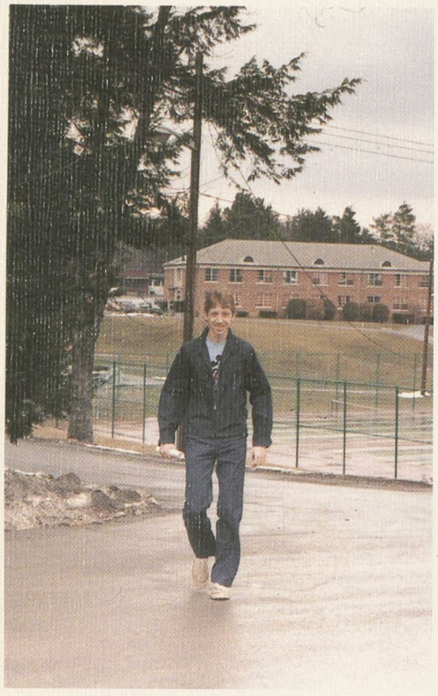


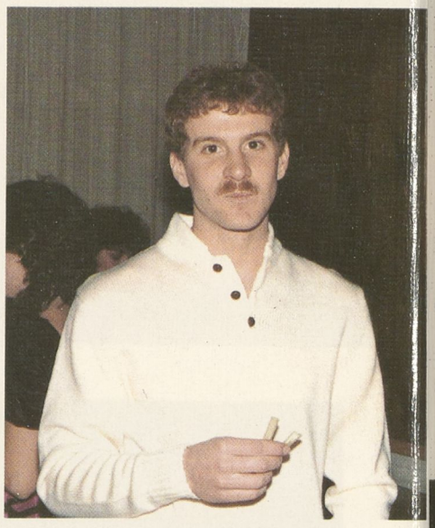
SPECIAL EVENTS

Eventually, some of the students become confident enough in their parts so as to be featured in the plannning and execution of some of the college's special events. These experiences and many others become invaluable to a student as he reaches his final year at school.









SENIORS

Finally, the student enters his senior year and realizes he has rehearsed his part enough. Opening night is now! He must calm his nerves and fears and step onto the stage and begin the performance of a lifetime.

ALFARATA '84

Despite the many problems encountered by this year's staff the Alfarata '84 has managed to become a reality. Most of the staff members did their best to produce a book that the Class of 1984 can enjoy. The production of a yearbook is a difficult job and it becomes even more difficult when some members of the staff renege on their responsibilities. It was very fortunate that not all the members of this years staff failed to do their work.

SPORTS

Volleyball

The 1983 season was a stupendous one for the Juniata College Volleyball team. The endless hours of practice paid off for the members when they won both the Middle Atlantic Conference championship and the U.S. Navy Invitational tournament. Also, Coach Bock and assistants Priscilla Gibboney and Colleen Ireland led the team to the NCAA Eastern Regional Volleyball tournament semifinals only to be defeated by the U.C. at San Diego. Congratulations to a team of fine atheletes whose performance this season was truly an awesome one.

Field Hockey

With seventeen returning players from the 1982 season, the Juniata women's field hockey team excellently displayed their experience and also their freshmen talent during this 1983 season. The Juniata squad finished the year as the first place team in the Southwest League of the MAC Southern Division. This was a good year especially for Therese Libert who concluded the 1983 field hockey season as the top goalie in the MAC.

Cross Country

The women's cross country team, under the direction of coach Bill Latimore, once again had a winning season. Led by senior co-captain Carolyn Andre, the women harriers were 6 and 4 while winning the Dickinson Invitational.

The Juniata College men's cross country team finished their season with a 4 and 5 record. Their most impressive race was their 4th place finish in the Dickinson Invitational. Coach John Brown credits much of the team's success to Captain Mark Royer's consistency.

Football

Juniata's gridiron fortunes were marred by illness and injury. The disappointing 2 and 8 season did however have some bright spots which coach Rob Ash hopes will be apparent next season.

Freshman quarterback, Todd Kaden, earned player of the week honors in the MAC conference, and junior, Dave Murphy won his second consecutive MAC receiving title while setting two Juniata records.

SPECIAL EVENTS

Storming of The Arch

Juniata's Storming of the Arch and oldest tradition occurred right on schedule once again this year. As the freshmen make furious attempts to reach the arch of Cloister, they are forced to first "bump heads" with a mass of upperclassmen who are hurtling rotten eggs and are physically mobbing the stampeding freshmen. With the onlookers cheering both sides, the battle continues until either side backs down. The freshmen backed down. As the battle ends the cries of LESHER fill the air.

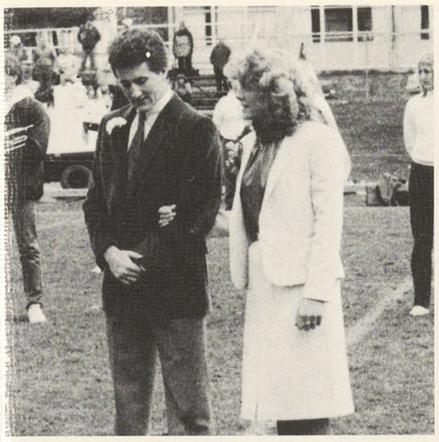
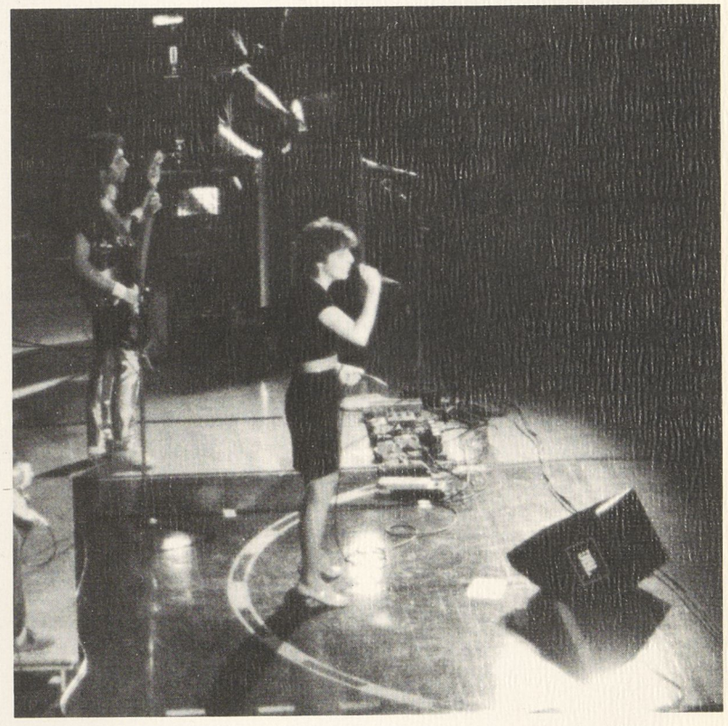
Parent's Weekend

The college was bustling once again this year during Parent's Weekend. Among this year's activities were the Juniata Band Concert, the annual cruises on Lake Raystown and, coffee with the Profs on Detwiler Plaza. Some other events included the World of Computer Games, and a lecture and slide show given by Dr. Kaylor entitled "Juniata through the Years". Following Saturday's sporting events, a President's reception was held on Detwiler Plaza. Later in the evening a Big Band dance was provided in the Sports and Rec Center for the parents.

Homecoming

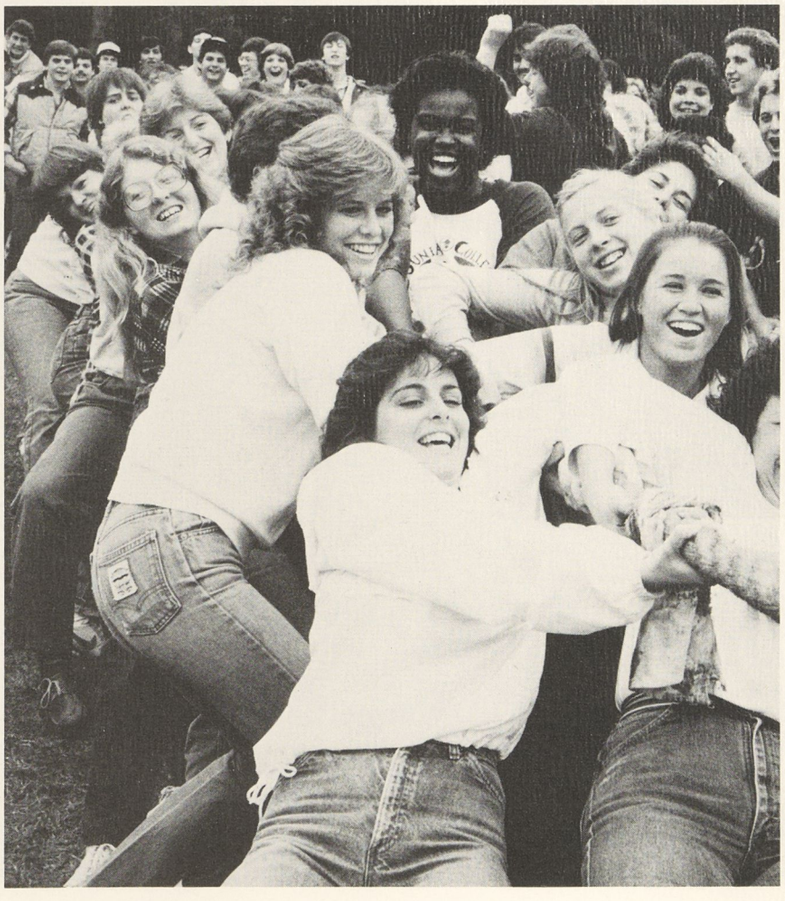
Congratulations to the 1983-84 Homecoming Court. This Year's Queen is Margie Guerrini, escorted by Bob Maruca.



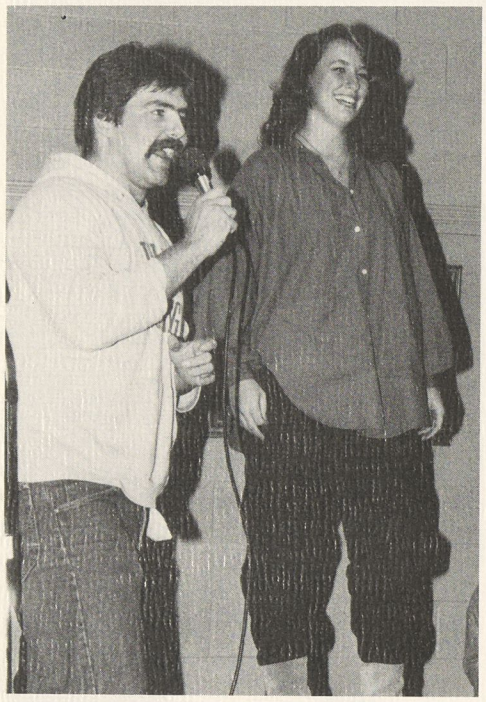


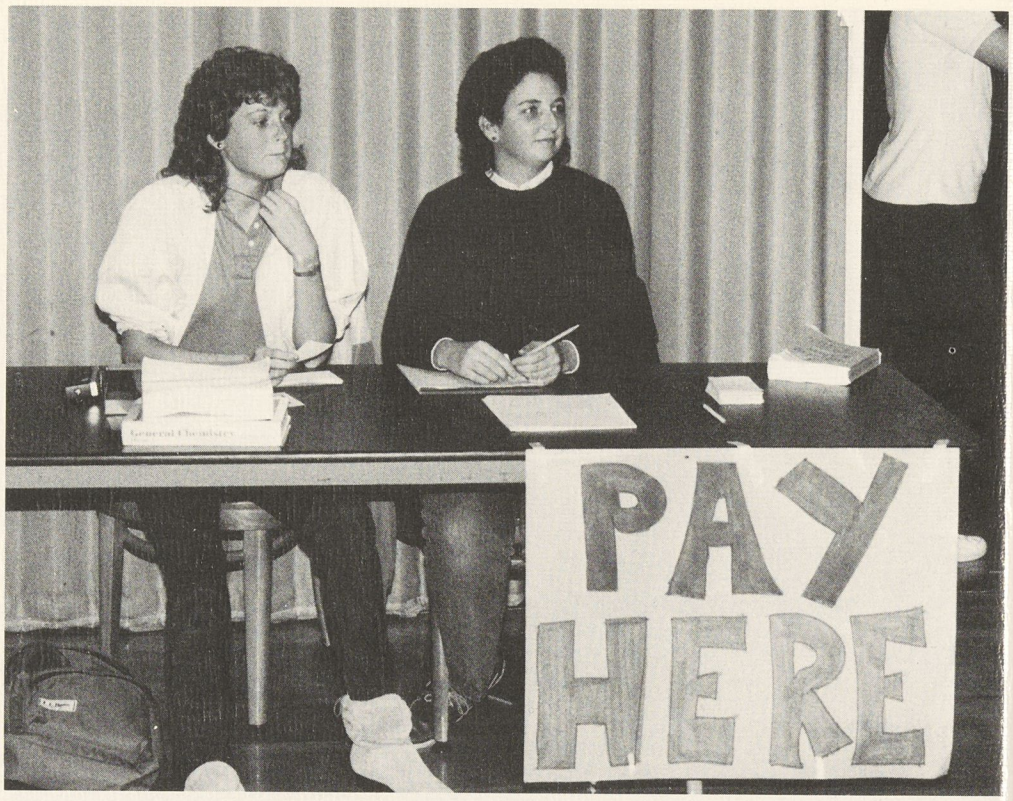
Mountain Day

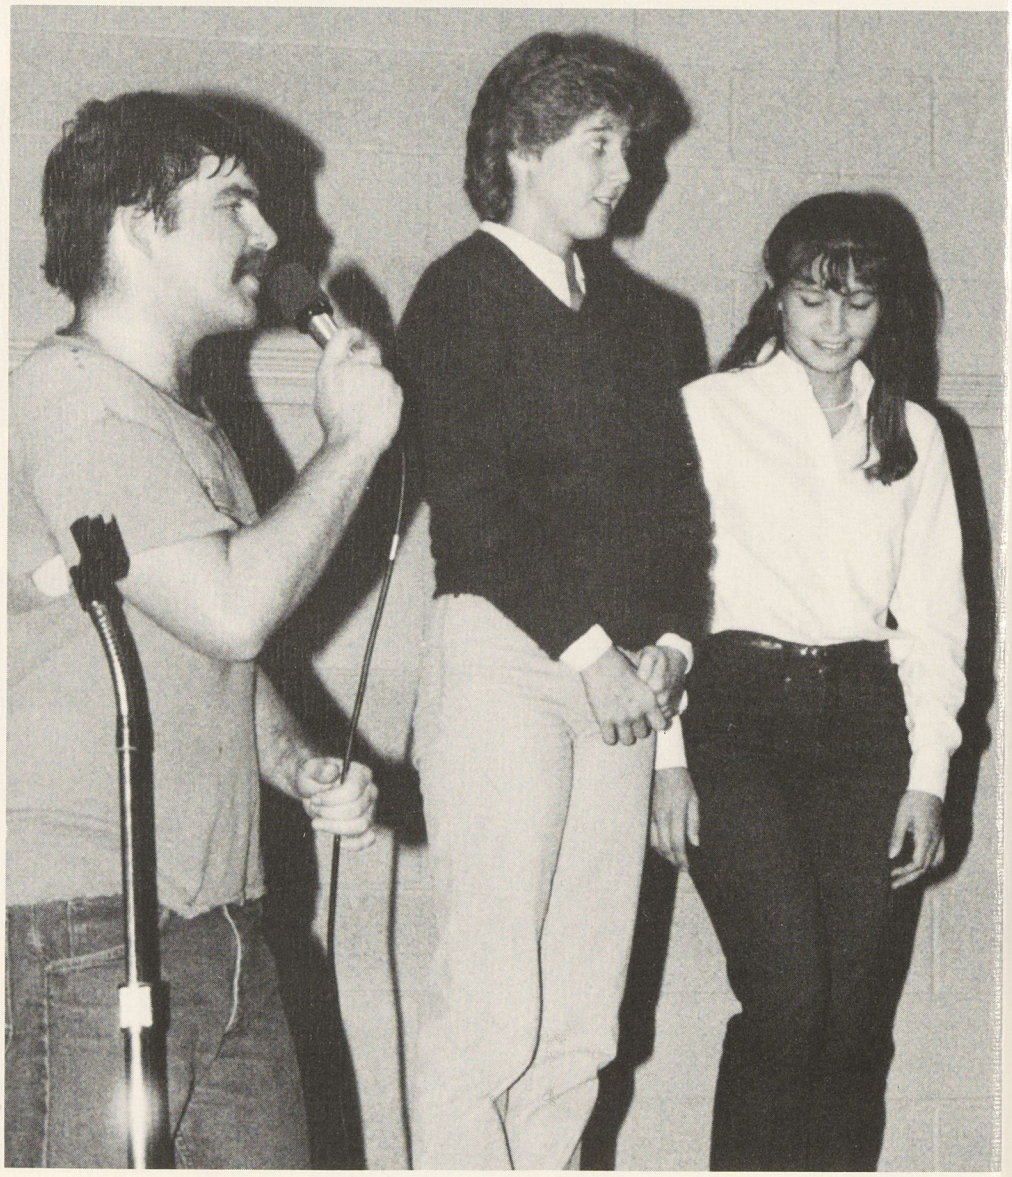
This year, after many false hopes and missed classes, Mountain Day was finally held on a refreshingly cool day at Trough Creek. This location was ideal for many exciting things, such as: a visit to the ice mine, hiking on any one of the many beautiful trails, viewing nature's balancing rock, crossing the swinging bridge and a visit to the nature center. Among the usual frisbee and volleyball games were the traditional Mountain Day events: the Cloister/Sherwood football game (won by Cloister, the tug-of-war between the classes, the faculty/senior football game (won by the faculty), and of course, the egg toss.



Slave Auction







The Freshmen kicked off the year with the traditional Slave Sale, held in the Ballroom of Ellis College Center. With 170 participants, the freshman class raised over $500, with the lowest price paid being 25 cents and the highest being $30 for a group of three girls. One of the main attractions this year was the mystery slave — none other than . . . Arnie Tilden! The auctioneer this year was Chris "PUD" Coller.

Halloween Buffet

Hallmark Food Service held their traditional Halloween Buffet once again. Among the wide variety of costumes this year were such unique ideas as a bag of Reese's Pieces, Hershey Kisses, a mime, ET, and a FLASHER (who won a special award — The Julie Keehner Award!). Miguel Esteban, a senior, won this year's pumpkin carving contest with his "frightening" entry.

Madrigal Dinner

The entertainment at Madrigal Dinner this year, once again, set the mood for what was an enjoyable evening for everyone.

The Juniata Brass Ensemble welcomed students to the event by playing traditional Christmas Carols, and the Juniata Concert Choir entertained us in singing the Latin lullaby "Jesu Parvule" and a medley of carols entitled "Christmas Day".

The after-dinner entertainment consisted of various Christmas selections by Steve DePerrot and Dan Vukmer; Christmas tales performed by Wendy Whitehaus and Chris "Corky" Collins; and last, but not least the highlight of every Madrigal Dinner - a performance by Andy and Terry Murray.

All Class Night

Ron Renzini hosted this year's annual All Class Night which turned out to be a great success. The Senior Class took the prize for first place for their third year in a row. Mark Shaw accepted the award for the Senior Class and commended his class for their enthusiasm and hard work. All the classes did a good job and provided the full house in Oller auditorium with a fun and enjoyable evening.

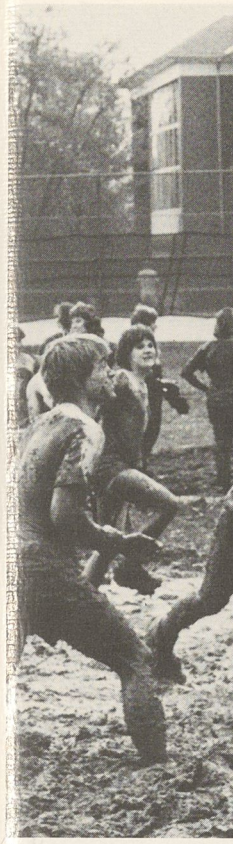
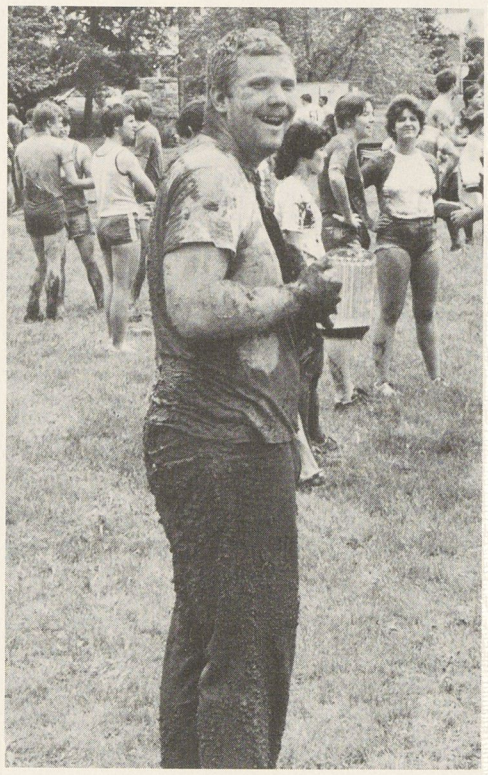
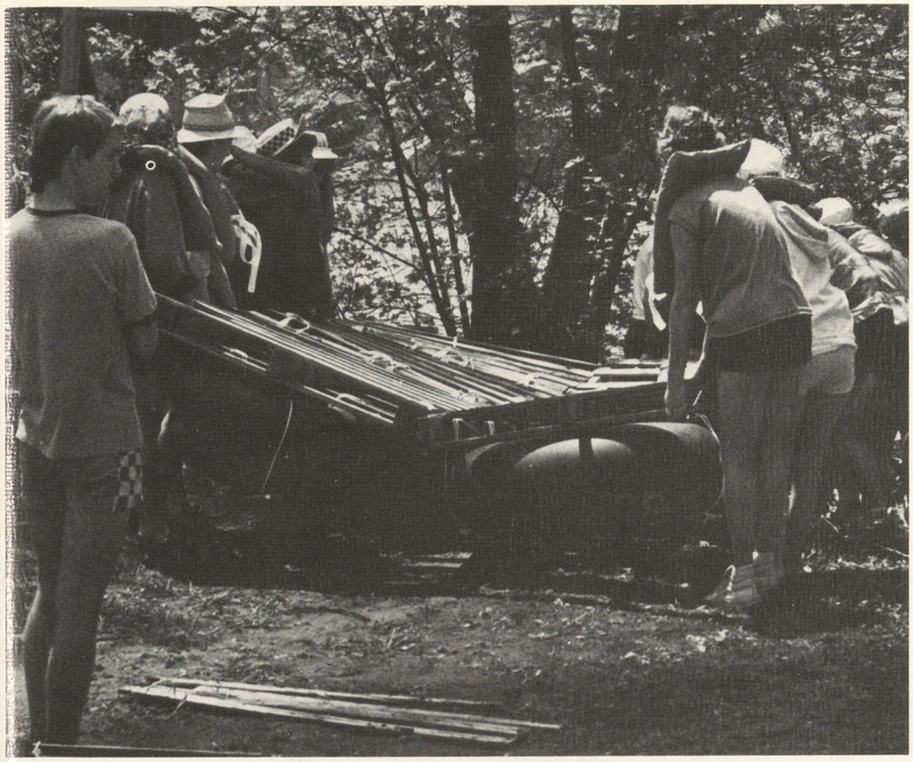
Mud Volleyball

The Juniata Executive's Club's afternoon of fun in the "mud" was a success, once again. There was an excellent turnout this year, even though there was still a slight chill in the air. This was especially true after you were caked with mud and washed down. The afternoon went very well. Some people were "slinging mud", while others were watching from afar. Live entertainment was provided by a young band on campus called Phase 9. Following the afternoon's events there was a picnic on Sherwood lawn.







Raft Regatta

This Year's Raft Regatta was a chilling experience. After one postponement, the regatta finally got underway. With the usual refreshments on board, the rafters floated happily along, some seemingly freezing to death, others apparently oblivious to the cold. Over all the day was a success. As everyone slowly arrived on campus again, they were treated to a picnic on Ellis lawn.
